

animals

of the dreaming

Celebrate NAIDOC week at the Field of Mars Environmental Education Centre. During their visit students will hear about and participate in stories and songs from the Dreaming told by Col Hardy, a highly respected Aboriginal leader. Students will also meet some amazing Aussie animals from Taronga Zoo, go on a bush walk to discover bush treasures and will get the chance to practice their skills at building bush shelters.

Suitable for Years 1 to 6

A maximum of 4 classes can attend per day

Cost is \$6 per student

This program is carbon neutral
